EQ ANNOUNCES AVAILABILITY OF 6 QUART SMALL BLOCK CHEVY OIL PAN

(LAS VEGAS, NV) – EngineQuest® (EQ) announces the availability of its 6 Quart Small Block Chevy Oil Pan. With an extended sump to hold more oil volume, along with a driver's side dipstick and two piece rear seal, EQ's oil pan is a direct replacement for GM part number 359937. Available with or without a baffle, the oil pan comes in either chrome or black and is ideal for Corvette's up to 1969, along with many marine, RV and high performance applications. Although EQ's unit is designed as a motorsport pan, it is priced like a stock pan. For more information about EQ's Six Quart Small Block Chevy Oil Pan, contact 800-426-8771, or visit www.eqcylinderheads.com.

About EngineQuest (EQ)

EngineQuest (EQ) is the engine parts division of AAEQ Manufacturers and Recyclers. EQ's product line includes new, remanufactured and reclaimed engine parts. EQ sources its cores from its sister company, AA Midwest, which maintains a huge inventory of over 150,000 engines, transmissions and internal parts cores. EQ specializes in manufacturing parts that either make one automotive core work in another application or replace a hard to find or hard to salvage part.

EQ continues to offer new products to help the engine builder solve their manufacturing challenges, including: exhaust manifolds (new and reclaimed), timing covers (largest single line available), harmonic balancers, head bolt sets, crankshafts, stock replacement and performance cylinder heads. EQ parts are available from six national warehouses located in Chicago, Ill.; Las Vegas, Nev.; Spokane, Wash.; Long Island, N.Y.; Atlanta, Ga. and Dallas, Texas.

About AAEQ Manufacturers and Recyclers

AAEQ Manufacturers and Recyclers is a comprehensive company that provides leadership in the automotive parts remanufacturing, manufacturing and recycling industries under its AA Midwest and EngineQuest (EQ) divisions. With locations in Chicago and Las Vegas, AAEQ has been family owned and operated since 1949 and continues to be known for its outstanding customer service and high degree of integrity. For more information, visit www.aaeq.net.
